Exchange

LinkedIn

The platform to make professional needs
known and **discoverable**.

LinkedIn

"Recent Grad Interested in Private Wealth Management"

"Interested in project coordinator/project management and business analyst positions"

"Looking for employment"

"Administrative assistant interested in a position in medical setting."

"UC/CC Architect - Looking for new opportunities"

150,000+

of our members have
"interested in" or *"looking for"*
in their headlines

"Interested in all things IT"

"Homemaker interested in Photography"

"Experienced manager looking for a new challenge in the human resources environment"

"Teacher looking for new challenges and opportunities"

"Looking for interesting opportunities in Project Management"

"Looking for Career Upgrade"

"Looking for a new position"

LinkedIn

Exchange allows members to:

very user-centric and cares deeply about building a great user experience.

Our design team has a lot of visibility, always has a seat at the product table and is never treated like a service organization. So if you enjoy a product culture that asks "how can we design it better" versus one that asks "how can we scale it
